

Invitation to Participate in the Virtual Course: "Education for Sustainable Development for Primary and Secondary School Teachers"

Co-funded by the
Erasmus+ Programme
of the European Union

Dear Students,

If you are interested in the opportunity to:

- Acquire new knowledge
- Earn an international certificate worth 3 ECTS for participating in the course
- Make new contacts with foreign students and attend a conference in Zwolle (funded by the ERASMUS+ program)

then this information is for you:

From **October 7th to December 9th, 2024**, the virtual course “ESD for Primary and Secondary School Teachers” will be held as part of the Erasmus project NETT DEVISE. This course includes an optional week-long visit in **April 2025** at the VIAA Christian University of Applied Sciences in the Netherlands, which also includes participation in the Teacher in Europe student conference (with Erasmus funding available for your stay).

The course includes the following **modules and topics** as well as **project work in international small groups**:

MODULE 1: BASICS OF ESD (1 ECTS)

Topic 1: Definitions, goals, and methods of the ESD. Four Ways of Thinking.

Topic 2: A short history of SD, sustainability meanings, and ESD foundations. SD and outdoor education

Topic 3: Teaching examples for ESD in school (primary/secondary levels)

Topic 4: Didactical approaches for ESD goals implementation on the school level

MODULE 2: WORLD CITIZENSHIP (1 ECTS)

Topic 1: Theoretical basis of world citizenship

Topic 2: Human Rights, Peace & Conflict and Global Perspectives

Topic 3: How to transform Global citizenship issues on the secondary school level

MODULE 3: GLOBALIZATION (1 ECTS)

Topic 1: Introduction to the different perspectives and history development of globalization

Topic 2: Fundamental reasons behind poverty. Meanings of globalization on the local level. Experience around us on a global level concerning globalization and on the local level concerning ecological footprint

Topic 3: Transferring the content into practice on the primary/secondary school levels

Just so you know, the number of places is limited and will be allocated based on the order of registration and the motivation to participate.

If interested, please complete the registration form by **October 3, 2024**.

For any questions or further details, please contact Prof. Nataliia Demeshkant, the coordinator of the NETT DEVISE project at UKEN.
